PROFESSIONAL EXPERIENCE

WordPress & Front-End Developer, Branex IT LTD Aug 2026 – Present

- Manage WordPress hosting environments end to end, including server setup, domain and DNS configuration, deployments, backups, and ongoing maintenance.
- Develop custom WordPress themes and plugins to client requirements and extend existing sites with new features.
- Improve Core Web Vitals and page speed through caching, image and asset optimization, and query- and code-level tuning.
- Lead on-page and technical SEO for client sites, including metadata, schema markup, and site-structure improvements.

WordPress & Front-End Developer, FRF SOFT Oct 2025 – Jul 2026

- Provided WordPress hosting and infrastructure support, including server configuration, DNS management, deployments, and backups.
- Built custom themes and plugins to client specifications and extended site functionality.
- Optimized Core Web Vitals and page-load performance through caching, asset compression, and code-level tuning.
- Handled on-page and technical SEO, including metadata, schema markup, and site-structure fixes.

Software Engineer, Trends Bird Limited Jan 2025 – Sep 2025

- Diagnosed and resolved bugs across WordPress, Laravel, and React/Next.js projects to keep production sites stable and reliable.
- Directed WordPress hosting operations end to end, including server setup, DNS configuration, deployments, backups, and maintenance.
- Developed custom WordPress themes and plugins for client projects.
- Built and enhanced features with React.js, Next.js, and Laravel, with a focus on performance and scalability.

Associate Software Engineer, Trends Bird Limited Jul 2023 – Dec 2024

- Built and customized WordPress websites with a focus on responsive design, functionality, and hosting setup.
- Contributed to Laravel projects, including backend logic, database design, and feature development.
- Debugged issues, improved site stability, and assisted with deployments and ongoing maintenance.
- Supported senior developers and followed best coding practices in a collaborative team environment.
